Pictures and Artistic Framing of Every Description

Mr. George W. Schultz has been engaged with his father William Schultz for 15 years in the framing business at the above address. He has associated with him Mr. Frank Woehr, who for many years conducted a framing business at Fulton and Pierrepont Streets, and is well and favorably known to his many patrons on the Heights. Messrs. Schultz & Woehr offer to the Brooklyn public a first-class framing shop, where polite attention, honest work and prompt service can always be had and where all orders will be found equal to the representations.

A large stock of patterns and mouldings constantly on hand. The latest styles and ideas in framing will be at your service.

We give especial attention to the regilding of picture and mirror frames; also of furniture.

The lowest prices consistent with good work will prevail.
